THE BECKET CATHOLIC SCHOOL, WILFORD NOTTINGHAM (Nottinghamshire)  
THE TRINITY CATHOLIC SCHOOL ASPLEY NOTTINGHAM (Nottingham City)

## ADMISSIONS POLICY

This policy will operate from September 2011. It will apply to all admissions for the year 2011-2012 and for subsequent years until further notice.

These schools are in the trusteeship of the Diocese of Nottingham and serve the Catholic families of Nottingham City Local Authority and Nottinghamshire County Council. Our first responsibility therefore is to the children of Catholic families in these areas and these children must have priority in gaining a place at the school. Additionally, we also welcome applications from all parents and carers, regardless of faith or background who would like their children to be educated in a Christian environment. As Catholic schools we are mindful of the mission of the Church to welcome those who are disadvantaged or marginalised. In particular, we continue to welcome children of families from other countries who have made their homes in Nottingham and Nottinghamshire.

Our schools belong to the Nottingham Diocesan family of schools. They are founded by and are part of the Catholic Church and seek at all times to be a witness to Jesus Christ. Religious education and worship are in accordance with the teachings and doctrines of the Catholic Church. This does not affect the right of parents or carers who are not of the faith of these schools to apply for and to be considered for places. We ask all parents or carers applying for a place to respect this ethos and its importance to the school community.

The Governing Bodies are the Admissions Authority for these schools and places can only be offered by each Governing Body. The Local Authority co-ordinates the admissions process. We are committed to providing a place for every Catholic child attending our linked primary schools. To help us achieve this, we have agreed with the Diocese that the following traditional linked arrangements will continue:

**All Saints ( 186 places)**

*St Philip Neri with St Bede's Mansfield,  
St Patrick's Forest Town,  
Holy Trinity Newark,  
St Joseph's Boughton  
St Joseph's Langwith Junction .  
Holy Family Worksop (Hallam Diocese)*

**Christ the King (147 places)**

*St Margaret Clitherow Nottingham,  
The Good Shepherd Woodthorpe,  
Sacred Heart Carlton  
Holy Cross Hucknall*

**The Becket ( 166 places)**

*Blessed Robert Widmerpool Clifton,  
St Edmund Campion West Bridgford,  
St Patrick's Wilford,  
Our Lady and St Edward's Nottingham  
English Martyrs Long Eaton.*

**The Trinity (165 places)**

*St Teresa's Aspley,  
Our Lady of Perpetual Succour Bulwell,  
St Mary's Hyson Green  
St Augustine's Mapperley.*

In order to provide a system for the allocation of places, which takes into account the wishes of each Governing Body, a set of oversubscription criteria have been drawn up, consulted upon, and agreed with the Diocesan Education Service and with each local authority. The

responsibility clearly stated in the opening paragraph will mean that the criteria for admission to the schools will give priority to baptised Catholic children and other applications will only be considered if there are places available.

In drawing the criteria the Governing Body has used the following principles:

- the responsibility to serve the appropriate Catholic population as part of the Diocesan provision;
- a desire to keep families together;
- a desire to ensure continuity of education;
- a responsibility to the wider community;
- a desire to serve the general population.

## **FRAUDULENT INFORMATION**

If the allocation of a place has been made on the basis of fraudulent or intentionally misleading information, the governors reserve the right to withdraw the place.

## **LATE APPLICATIONS – NOTTINGHAM CITY - THE TRINITY SCHOOL**

The Local Authority and the Governing Body may be willing to accept applications which are received late but before the date set by the Local Authority for good reason for example:

- a family returning from abroad
- a lone parent who has been ill for some time
- a family moving into Nottingham from another area
- other exceptional circumstances

Each case will be treated on its merits.

Any preferences received by the Nottingham Local Authority up to the date set by the Local Authority, with good reason for being late, and where appropriate, with the agreement of the Governing Body will be included in the first cycle of allocations and will be notified on the national offer day.

All other late applications for secondary school places received by Nottingham Local Authority after the specified date will be dealt with after the offer day.

## **LATE APPLICATIONS – NOTTINGHAMSHIRE**

Certain late applications submitted in the normal admissions round that are received by Nottinghamshire Local Authority up to the date set by the Local Authority will be treated as on time by the LA. Such applications will be from parents or carers who:

- have moved into Nottinghamshire ; or
- can establish at the time of completing the form that there were exceptional reasons for missing the closing date

and were, therefore, unable to meet the published closing date.

Governing Bodies will treat such applications as on time where it is practical to include them in their first ranking.

All other late applications for secondary school places received by Nottinghamshire Local Authority after the specified date will be dealt with after the offer day.

## **WAITING LISTS**

Parents whose children have not been offered their preferred school will be informed of their right of appeal and will be added to their preferred school's waiting list. Waiting lists for admission will remain open until the end of the Autumn Term in the admission year.

If there is oversubscription, schools will continue to maintain waiting lists. Parents must make a request for their child's name to be put on the waiting list and lists will be revised annually.

Waiting lists are ranked in the same order as the oversubscription criteria listed below.

Waiting lists may change. This means that a child's waiting list position during the year could go up or down. Any late applications will be added to the list in accordance with the order of priority for allocating places. Inclusion on a school's waiting list does not mean that a place will eventually become available.

## **IN YEAR APPLICATIONS**

Applications for places in any year group, made during the school year, must be made to the Local Authority using the home local authority application form. A Supplementary Form should also be completed. Once an application has been made, it will be passed to the Admissions Committee of the Governing Body for consideration. If the respective year group total is below the published admission number for that year group, the child will be offered a place unless circumstances have changed since the year group in question was a normal year of admission.

If the respective year group total is full, the child will be only offered a place if there are very exceptional circumstances and if the Committee decides that the education of pupils in that year group will not be detrimentally affected by the admission of an extra pupil.

If there is oversubscription, schools will maintain waiting lists for in year applications. Details will be provided on request. Inclusion in a school's waiting list does not mean that a place will eventually become available.

If a child is not allocated a place, parents have a statutory right to appeal (see 'Appeals' below). Appeal should be lodged within three weeks (15 working days) after the date of your decision letter

Local Authorities are required to have **Fair Access Protocols** in order to make sure that unplaced children who live in the home local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full.

## **ALL APPLICATIONS - DOCUMENTS REQUIRED**

**Common Application Form** : All applications for transfer from primary school to secondary school and for in year transfers must be made on the home Local Authority's Common Application Form. **This form should also be used for applications to schools in neighbouring authorities.**

### **The Supplementary Form and Supporting Evidence**

In addition all applicants should complete the Supplementary Form. The information on this form will enable Governors to place applicants in the correct category. If a Supplementary Form has not been supplied with the application pack, parents should contact their primary headteacher or the relevant secondary school.

**The Trinity School** : The Supplementary Form should be returned **to the Local Authority** with the Application form.

**Other Schools** : The Supplementary form should be returned **to the school** by the same closing date as the Application Form

Parents / carers of Catholic children should also supply one of the following documents with the Supplementary Form :

- A copy of the child's baptism certificate OR -
- If the child has been received into the Catholic church, written verification, signed by a Catholic priest and stamped with the parish stamp.

Applicants whose children are members of other Christian denominations should supply a baptism certificate or certificate of dedication.

If the Supplementary Form and the required documents listed above are not returned on the closing date, applicants will automatically be placed in Category G of the oversubscription criteria (see below)

## **ALL APPLICATIONS – HOW PLACES ARE ALLOCATED**

Once applications are received by the Local Authority, details of all applicants are passed to the Governing Body. Using the information on both the Common Application Form and the Supplementary Form, each Governing Body draws up a ranked list using the oversubscription criteria listed below. The Authority then allocates places on behalf of each Governing Body up to the admissions number. Where places cannot be allocated at the first preference school, the Local Authority will allocate places at the next preferred school which has places.

## **APPLICATIONS FOR TWINS AND MULTIPLE BIRTH PUPILS**

In cases where there is one remaining place available and the next child on the waiting list is one of a twin or of other multiple birth groups, then both twins (or all the siblings in case of multiple births) will be admitted even if this means that the admission number will be exceeded.

### **THESE ARE THE OVERSUBSCRIPTION CRITERIA**

Pupils with statements of special needs whose statement names the school will be admitted. This will reduce the number of places available.

#### **Category A – Catholic pupils in the care of a local authority (Looked After Children)**

#### **Category B – Baptised Catholic Pupils**

1. Pupils who attend one of the linked primary schools
2. Pupils with brothers or sisters at the school who will be in Years 7-11 at the time of admission
3. Other Catholic pupils.

#### **Category C –Pupils in the care of a local authority who are not Catholic (Looked After Children)**

#### **Category D - Pupils belonging to other Christian churches which belong to Churches Together in England (including Eastern Orthodox Churches)**

1. Pupils who attend one of the linked primary schools
2. Pupils with brothers or sisters at the school who will be in Years 7-11 at the time of admission
3. Other Christian pupils.

Christian churches are those churches and denominations which belong to Churches Together in England and Wales. (See list below).

## Category E – Other pupils

1. Pupils who attend one of the linked primary schools
2. Pupils with brothers or sisters at the school who will be in Years 7-11 at the time of admission
3. Other pupils.

***If a tie breaker is needed any of the above categories, allocation of places will be decided on a distance basis. Distance measurements will be supplied by the Local Authority. (See below)***

### ***Distance Tie Breaker – Nottingham City (Trinity)***

Distance will be measured in a straight line (by a computerised geographical information system) from the centre of the school campus to a point at the pupils home address identified by the Local Land and Property Gazetteer.

### ***Distance Tie Breaker – Nottinghamshire (All Saints, Christ the King, The Becket)***

Distance measurements will be taken in a straight line from the entrance to the child's home (as defined by the Local Authority) to the principal entrance to the main administrative building of the school. This will be calculated by using computer software, which is currently *arcview*. In the event of needing to discriminate between pupils living in the same block of flats, where *arcview* produces the same distance measurement, the lowest numbered flat(s) will be treated as closest to the school.

**All schools** : In a very few cases, it may not be possible to decide between the applications of those pupils who are the final qualifiers for a place (eg children who live at the same address or have the same distance measurement). In this exceptional situation, if there is no other way of separating the applications then the governors will admit the additional child above the planned admissions number.

The Catholic Schools Appeals Service arranges all appeals on behalf of the governing bodies of the four schools. Appeals will be heard by an independent panel and the final decision of the panel is binding on all parties.

## **Admission Arrangements for Sixth form Entry 2011-12**

### **Admissions Philosophy:**

Christ the King is a Catholic School. The fundamental aim of the school is to create a living Christian Community, concerned with the Christian formation and guidance of all those at the school. At the heart of this formation is the fostering of knowledge, understanding and practice of the Catholic faith.

The school recognises that parents have been given the right to express their preference for a school for their child(ren). Pupils must apply with parental support, and will not be allocated a place until they have done so. Notwithstanding this, the school has a duty to maintain its Catholic ethos and those customs, traditions and practises of the Roman Catholic Church.

Pupils are welcomed at Christ the King Catholic School regardless of race, gender, or impairment. The school is working to improve resources for pupils with impairment, but parents need to be aware of current limitations in certain facilities.

All parents will be expected to support their child's application and sign a Sixth Form Agreement and to support the school in carrying out its Mission Statement.

Christ the King Catholic School and Sixth Form Centre provide a Post-16 Curriculum leading to GCE AS and A Level Qualifications.

### **Admission Policy:**

The Governors of the School are the Admission Authority of the School; a committee of the Governing Body makes all decisions on admissions. The Governors will apply a list of Admission Criteria and Over-Subscription Criteria to establish an order of priority for admissions.

#### Admission Criteria:

The minimum requirements for entry into Christ the King Catholic School Sixth Form are:

- Five Grade C at GCSE, including grade C or above, in the chosen subjects of study at AS Level, initially.

In the case of students wishing to study the following subjects, the following will also apply:

- Mathematics: Grade B at GCSE Maths (Higher paper)
- Music: Someone with Grade 5 Theory and Grade 5 Practical will be considered to have attained the equivalent of Grade B at GCSE.

Where GCSE Grades fall below the requirement in a particular subject, a supporting statement from the relevant Subject Leader confirming that previously assessed work, assessed coursework, and overall progress indicate that this lower grade is exceptional

and abnormal, on this basis, the Subject Leader recommends that the student be admitted to Year 12.

At the end of Year 12, students will normally be allowed to proceed to A2 only in those subjects in which they have attained satisfactory or better results.

### Application Process

- The School welcomes interested students to the Annual Sixth Form Open Evening in the Autumn Term (date available from the School Office once the Calendar has been finalised in September 2008.)
- Application forms are available within the School's Post-16 Prospectus, which is available from the school office.
- Applications are welcomed by the published closing date of 31<sup>st</sup> March 2009.
- Applications should be returned to the Head Teacher.
- Once the closing date has passed, Governors will determine the offer of places based the Admission Criteria and Over-Subscription Admission Criteria - if applications exceed the number of places available.
- The school has places for 147 students in Year 12. The admission number for applicants new to the school will be the difference between this figure and the number of students already on the school roll who progress from year 11.
- Pupils who attended Year 11 at Christ the King School, having completed their compulsory education in July 2009, may progress to the sixth form if they meet the Admission Criteria set out above.
- A conditional place will be offered subject to fulfilling the academic entry requirements stated above.
- Should the number of applications exceed places available, a waiting list will be generated, and this waiting list will be maintained until the end of September in the year of admission. Parents/carers will be offered places in waiting list order, if places become available.
- Late applications will be considered at the discretion of the Governing Body, in line with the stated criteria, provided there are still places available at the time of application.
- A place will be withdrawn if the decision to admit is found to have been based on fraudulent information.

### Over-subscription Admission Criteria

The following criteria will be employed should the number of applications from outside the school exceed the school's admissions number:

1. Catholic<sup>1</sup> pupils in the care of the Local Authority<sup>2</sup>.
2. Pupils in the care of the Local Authority<sup>2</sup>.
3. Catholic Pupils who live within the four Parishes that serve the school. These are:
  - The Good Shepherd Parish, Woodthorpe.
  - Sacred Heart Parish, Carlton.
  - Holy Cross Parish, Hucknall
  - Infant of Prague Parish, Bestwood.
4. Catholic brothers or sisters<sup>3</sup> of those pupils who at the time of proposed admission attend Christ the King catholic School.
5. Catholic pupils.
6. Pupils who have brothers or sisters<sup>3</sup> who at the time of admission attend Christ the King Catholic School.
7. Pupils whose parents/carers request an education in this Catholic School who are committed to their faith as verified by a minister of the relevant Christian denomination<sup>4</sup>. (Parents are requested to submit a supporting letter from the relevant minister).
8. Pupils whose parents/carers fully support the ethos of this Catholic School and who wish their children to have a Christian education.

If all factors are equal after the above process, final allocations in all categories will be decided on a distance basis. This means that places will be allocated first to children whose home address is nearest to the school; the distance is determined as 'the crow flies'.
